

**You will view a series of six images, once quickly and once more slowly. Each image has a number. Please use that number to refer to the image in your answer. Please select FOUR (4) of the images and identify the subject of the image and a text to which it relates. Please comment briefly on three (3) interesting features of the images you chose. Please just write a couple of sentences for each of the images and do not repeat yourself.
(5 points each)**
